Dear Sir:

On June 4, 2008, Examiner Murray contacted Applicants' representative Eric DeMaster (Reg. No. 55,107) to discuss the application. The Markush preamble in claim 10 and several compounds listed in claim 10 that did not appear to fit within the compounds of claim 1 were discussed. Agreement with respect to the claims was reached. On June 6, 2008, Applicants' representative contacted Examiner Murray and authorized the Examiner to delete the compounds that did not appear to fit within the compounds of claim 1 by an Examiner's Amendment. Applicants thank Examiner Murray for the opportunity to discuss the application.

Respectfully submitted,
